Beautiful homes in attractive setting

A LEADING St Helens estate agent has been instructed in the sale of six brand new bungalows at the Madison Close site on behalf of Parrco Limited.

Entwistle Green will help sell the properties, which are tucked away in Madison Close. These six beautiful brand new bungalows offer you the peace of mind of being situated in this attractive setting next to a secure 24-hour nursing home. Outside, there are lawns at the front with drive space and private garage. These modern two bedroom bungalows have one double and one single bedroom.

The entrance hall leads to a generous sized lounge, kitchen with integrated appliances and an area for a separate dining room table.

From here the patio doors lead out to the private rear garden. The spacious modern bathrooms have both bath and shower facilities.

There are high quality fixtures and fittings throughout including fitted carpets, plus low-maintenance UPVC double glazing and are heated by an electrical thermostat radiator system.

With a scheduled practical completion of June 2012, the home will provide quality care within a modern and bespoke environment which meets the needs of elderly residents within the local area.

The development of this 66 suite care home will provide nursing and dementia care for the residents of St Helens.

The home will be a part three and part four storey property of traditional construction. Gardens are to be provided to the north eastern end of the site, thereby overlooking Concourse Way, and these are expected to comprise areas of flat and level lawn incorporating various planted beds, trees, shrubs, footpaths and hard surfaced patios.

This will have a positive outcome for the area, not only offering essential care in the community but also providing well needed employment.

For further information regarding the bungalows please contact Entwistle Green on 01744 21962 or please visit the website www.madisonclose.co.uk. Parrco Ltd would welcome all enquiries with regard to the care home on 01695 581 252
